The regular season will run from early May until late August, pending field availability. Regular season games will be Monday through Thursday, holiday weekends included, beginning at 6:30 PM. Teams play one game per week, plus team practices. A games schedule will be issued to all players at the beginning of the season. Regular attendance is expected for a successful season.

A recreational club, PYSC's mandate is to create an enjoyable venue for exercise and learning the skills of the game.

The Ron Thompson All-Winners "Festival" for all players will be held on a mid June weekend. Games for individual teams will occur within about a 4-hour period. There will be a Playoff Tournament for older players. Dates TBA.

In order to balance teams in the various divisions, the Club might transfer some players between teams.

We will endeavour to complete team balancing by the time of the All-Winners Festival.

When attendance drops during the summer, younger registered players could be called up to play on older teams.

PYSC might offer a Select program in many of the older age groups, depending on level of interest. Players on the house league teams can try out for or be called up to the Select teams.

These teams will play in a number of weekend tournaments throughout the summer.

The Club supplies a complete uniform, which is to be worn by the player for games. Players must wear shin guards completely covered by the soccer socks. Soccer jerseys should be tucked into shorts during play. Jewellery (watches, rings, piercings, etc) **CANNOT** be worn during games because of potential injury.

Coaches: WE NEED YOU! We will need Coaches for the season. To coach, you need to provide a few hours each week for games and practices. We will be having coaching training and materials. There is coaching assistance and resource material available; see our website. Volunteer Screening applies for coaches and assistants. Submit a coach's registration form.
