

## List of Referees for PYSC (see the list at the bottom)

In the PYSC list of refs there are two categories of refs:

1. New Referees - who just became refs this year and
2. Returning referees who used to ref for us in the previous season/s.

### First year refs:

In order for you to have your name in the PYSC Referees' List, you must:

- attend and pass successfully your clinic (be it small sided or/and Entry Level)
- fill out and submit the form on line.

### Returning refs:

In order for you to have your name in the PYSC Referees' List, you must:

- renew your annual membership with the OS;
- attend one of the mandatory refreshing clinics;
- fulfill any other requirement from OS, ECOSA or/and the club
- then you're automatically reinstated in the PYSC list

**Note:** Please note that even if you register but fail to do any games at all by June 30<sup>th</sup> your name might be removed from the list of active refs (unless you provide the head ref with proper satisfactory explanation for such lack of availability).

The list is closed to new entries on CANADA DAY.
